## A GVSU INTERNSHIP PROGRAM

### France: EUSA Internship Open to: All majors

#### TELL ME ABOUT THIS PROGRAM

Paris offers unparalleled opportunities if you are seeking a professional internship in a French-speaking workplace. Placements are available for undergraduates in almost any major who would like to work in one of Paris's many businesses, galleries, museums, hospitals, publishing houses, NGOs, or other organizations.

The program begins with a three week intensive French language course that prepares you to work in a French-speaking environment. In the afternoons, you participate in excursions and other cultural activities that introduce you to the French culture and society.

Subsequently, you participate in a nine week internship, working 35 hours a week in a professional setting appropriate for your academic major and career goals. Because the program is designed to be a learning experience, the internships are unpaid.
