TELL ME ABOUT THIS PROGRAM
From the IISAC website:
IISAC’s Semester in India Program is a premier study abroad experience. Founded in 2001, the program provides an incredible opportunity to live and breathe India every day.
The study abroad program at University of Kerala emphasizes cultural and academic immersion. Courses are designed with the American credit and semester system in mind, allowing you to choose classes that enrich your knowledge of India and correspond to your academic interests.
Learn beyond the classroom and gain firsthand experience with India’s culture, environment, and history during a 2-week tour of South India at the beginning of the program.
As a non-profit organization, IISAC’s goal is to make studying abroad in India affordable. Apply now, and experience the soul of India.
Past participants have shared their experiences about this program.
