## Career Communities

### What is a Career Community?

Our Career Communities are a way for students to connect with fellow students, faculty, career advisors, employers, and career content related to specific industry types. Joining one or more career communities will help students explore, engage with, and discover careers that align with their interests and goals. Once joined, students will receive customized emails from their career advisor with handpicked information pertaining to their career interests!

[Click to learn about the 7 Career Communities:](#)

1. Business and Entrepreneurship
2. Communication and the Arts
3. Education
4. Exploring
5. Healthcare
6. Human and Public Services
7. STEM

Students can join one or more career communities by [logging into Handshake](#) and updating their Career Interests in their profile.
