Follow the Money \$\$ What is a fellowship? These are nationally and internationally competitive opportunities for students to receive funding for life-changing experiences.

What can a fellowship do for you?

- Fund undergraduate study-abroad, especially for students underrepresented in study abroad
- Fund experiences that open doors for you as undergraduates: summer institutes, summer research, summer seminars, highly prestigious tuition-defrayal + summer internship programs like the Goldwater, NOAA Hollings, Udall and SMART
- Cover (or provide partial funding for) the cost of after graduation 'post-commencement' opportunities – graduate study, international engagement (Peace Corps, Fulbright), and more

You'll never know if there's something here for you . . . until you ask! [Click HERE for the details.](#)

Join us for weekly **VIRTUAL INFORMATION SESSIONS** throughout the fall!

Contact tooleyb@gvsu.edu for more information.
