One elective from: Psychology, Sociology, Anthropology, Public Health or related field (<i>must be 200 level or higher</i>)				

At time of application, all prerequisite courses must have been completed within 5 years from date of degree completion.

- A candidate will be able to select one program (Traditional or Hybrid) as their first choice; candidates may also opt to include the other program as their second choice for admission consideration.
- Program accepts 40 students into traditional program and 22 for the hybrid program.
- Candidates must complete all prerequisite courses and earn a bachelor's degree prior to entering the program. There will be no waivers or exceptions to this policy.
- Completed applications must be OTCAS "**Verified**" by application deadline.
- All applications must include final summer semester grades.
- A GVSU Graduate application must also be completed to the GVSU Admissions Office.

Application/Admission Information

Occupational Therapy (M.S.)

Program website: www.gvsu.edu/ot

Application Deadline: January 15th. GVSU participates with the Centralized Application Service (OTCAS). All application materials must be **VERIFIED** within the OTCAS system by January 15th. It can take OTCAS several weeks to verify applications, therefore we recommend submitting materials 4-6 weeks in advance of the application deadline. Unverified OTCAS applications are considered incomplete and will not be reviewed.

PHASE I

1. Read the [Candidate Information](#) form: The GVSU Department of Occupational Science and Therapy [technical standards](#) to ensure they are capable of meeting the requirements of the program prior to applying.
2. Review the [Admissions Policy](#).
3. Complete the Graduate School application via the [OTCAS](#) portal.
4. Submit **official transcripts** from all colleges and universities attended through the fall semester to [OTCAS](#). Students are responsible for sending official transcripts at the end of each semester for proof of completion of prerequisites and if admitted to the program, to demonstrate progress towards or the completion of a bachelor's degree.
5. Submit **THREE** recommendations within your [OTCAS](#) application – due to Covid confirm latest requirements on OT website
6. Complete and upload the [Prerequisite GPA Calculation Form](#) to [OTCAS](#).
 - a) **At least 9 credit hours of prerequisites must be completed at the time of application.** The elective and the statistics course **are not** included in this requirement. Each individual prerequisite course must be completed with a grade of C or better. GPA scores for the prerequisite courses, and for the last 60 hours must both be at or above 3.0.
 - b) A plan for completion of prerequisites, not fulfilled at the time of application, must also be included on the Prerequisite GPA Calculation form.
7. Complete and upload the [Achievement Profile Form](#) to [OTCAS](#). (Examples for form – [see here](#))
8. Observation hours: For this application cycle (Fall 2022 admission), observation hours have been waived. Instead of completing the Documentation of Hours Form, please complete the shadowing modules on the OT admission website.

PHASE II

1. An interview and an onsite writing sample.
2. The candidates are ranked on a total score basis.
3. Traditional Program: The top 40 candidates (minus early admits from Grand Valley State University, Central Michigan University, University of Michigan, and Hope College) are sent a letter offering them seats in the program. Candidates are asked to provide a written reply within a two week deadline. The balance of candidates over 40 are considered alternates for admission and are ranked according to total score. Each alternate candidate is offered admission one for one in rank order if any of the original 40 candidates declines admission.
4. Hybrid Program: The top 22 candidates (minus early admits from Grand Valley State University, Central Michigan University, University of Michigan, and Hope College) are sent a letter offering them seats in the Program. They are asked to provide a written reply within a two week deadline. The balance of candidates over 22 are considered alternates for admission and are ranked according to total score. Each alternate candidate is offered admission one for one in rank order if any of the original 22 candidates declines admission.
5. Candidates who are not selected are informed once each cohort is filled and are welcome to request a meeting with a member of the OT Admissions Committee to discuss their application.
6. Candidates who are not selected may reapply the following year.

The most up-to-date admission & application information can be found on the Occupational Therapy website at www.gvsu.edu/ot
