

# Prerequisite Advising Worksheet

## Doctorate of Physical Therapy (D.P.T.)

Prerequisite Courses <small>(Labs are required as indicated below)</small>	School	Course Title / Code	Grade
<b>BIO 120</b> General Biology I <u>w/ lab</u> (cell & molecular biology)			
<b>Option A:</b>	Anatomy & Physiology...complete "Option A" or "Option B".		
<b>BMS 208</b> Human Anatomy (GV prerequisite "C-" or better in BIO 120) <u>and</u> <b>BMS 290 &amp; 391</b> Human Physiology <u>w/ lab</u> <small>(GV prerequisite BMS 208 &amp; 2 semesters of chemistry)</small>			
<u>and</u> <b>BMS 309</b> Laboratory in Human Anatomy <small>(GV Preq: "C-" or better in BMS 208 or BMS 251)</small>			
<b>Option B:</b>	Anatomy & Physiology...complete "Option A" or "Option B".		
<b>BMS 250</b> Anat. & Phys. I <u>w/ lab</u> (GV Prereq. BIO 120 w/ C- or better)			
<u>and</u> <b>BMS 251</b> Anatomy and Physiology II <u>w/ lab</u>			
<b>*Chemistry:</b> Two courses, each <u>with a lab</u>			
<b>MOV 304</b> Introduction to Exercise Physiology <small>(GV prerequisites: BMS 202 or BMS 251 or BMS 290)</small>			
<b>MTH 122</b> College Algebra (GV Prerequisite: MTH 110) <u>or</u> <b>MTH 123</b> Trigonometry <u>or</u> <b>MTH 201</b> Calculus I			
<b>PHY 220</b> General Physics I <u>w/ lab</u> <small>(GV prerequisites: MTH 122 &amp; MTH 123 or MTH 201)</small>			
<b>PHY 221</b> General Physics II <u>w/ lab</u> <small>(GV prerequisite: PHY 220)</small>			
<b>PSY 101</b> Introductory Psychology			
<b>PSY 364</b> Life Span Developmental Psychology <small>(GV prerequisite: PSY 101 or HNR 234)</small>			
<b>SOC 101</b> Introduction to Sociology <u>or</u> <b>SOC 105</b> Social Problems <u>or</u> <b>ANT 204</b> Introduction to Cultural Anthropology			
<b>STA 215</b> Introductory Applied Statistics <small>(GV prerequisite: MTH 110)</small>			

**Prerequisite Notes...**

- Students are responsible for the completion of prerequisites & bachelor's degree before the start of the program. All prerequisites must be taken for letter grades (AP/IB credit is acceptable). Credit/No Credit courses will not be accepted.
- Prerequisites require a grade of "C" or higher.
- Students are expected to complete corresponding labs for prerequisite science courses as indicated above.
- For detailed admission & application information go to <https://www.gvsu.edu/pt/admissions-101.htm>
