

# Railside Assisted Living Center

April 20, 2016

At a time of historically low unemployment, an ever-growing aged population and an increasing demand for employees with training and education in the medical and social services; we are looking to partner with you.

Heritage Senior Communities, a family-owned and West Michigan based senior living company that currently operates nine assisted living communities across the state, has benefitted from successful partnerships with local colleges and universities in offering your students more than just a part-time job and a paycheck.

Not only do we offer ALL of our employees rewarding opportunities in a pleasant work environment, competitive wages and flexibility in scheduling; many of our student employees have the opportunity to earn class credits while earning a paycheck! Our student employees also gain hands-on experience in patient care, medication administration, patient assessments and care planning using up-to-date technology. They also earn DIRECT PATIENT CARE HOURS which are required for entry into most graduate programs.

We are always looking to add quality team members at Railside Assisted Living Center and would welcome the opportunity to meet, in person, to develop this opportunity for your students and the senior residents we serve.

Sincerely

*Tracy M. Wood, Administrator  
Railside Assisted Living Center  
616-878-4620*
