Program Admission Information

The Radiation Therapy program at GVSU is competitive and requires completion of a secondary application which is available online at www.gvsu.edu/rt. Applications and all supplemental materials are due February 1st. Applicants must complete the prerequisite courses AND all the GVSU General Education courses prior to the start of the program. Students may apply to the program **February 1** if they can demonstrate that the prerequisites and general education courses will be complete by the time the program starts in August. There are no waiting lists.

Application Requirements:

- ✓ GVSU Undergraduate Application – students must be admitted and eligible to start classes in the year of application
- ✓ Program Application & Supplemental Materials – found at www.gvsu.edu/rt
- ✓ Minimum grade of "C" or better required in all prerequisite coursework
- ✓ Resume - include a specific section listing ALL health care experiences (volunteer, paid, job shadow)
 - Volunteer or Work in Health Field – minimum 16 hours experience in a health field (due at time of application)
 - Job Shadow – 2-3 hour job shadow with a practitioner in your field of interest (due at time of application)
- ✓ Statement of Professional Goals – one to two page statement addressing: Why you are interested, what are *your* plans, and what influenced your decision?
- ✓ Two recommendations - on program specific forms (part of the program application)
- ✓ Transcripts - Official and updated copies of ALL non-GVSU transcripts sent directly to the GVSU Admissions Office.
- ✓ Verification of Course Completion form - describe how required courses will be completed PRIOR to start of the program

Admissions Considerations

- Academic grade point average from prerequisite courses (40%)
- Academic grade point average from previous two calendar years (10%)
- Interview and Writing Assessment completed on-site at the Cook-DeVos Center for Health Sciences (30%)
- Health Care Experience - a minimum 16 hours of volunteer/work experience AND 2-3 hours job shadow in a health field (5%)
- Additional leadership considerations (10%)
