Simulation Lab Assistant Manager
- Matt Wagenheim, M.Ed., BA
Simulation Assistant

Updates

- Culinary Kitchen Food Permit
- Revised Simulation Center Late Event Request Policy
- Updated Simulation Center Infectious Disease Preparedness and Response Plan
- Diversity, Equity, Inclusion, and Belonging Commitment Statement

Diversity, Equity, Inclusion, and Belonging Commitment Statement

The GVSU Interprofessional Simulation Center respects the diverse backgrounds and lived experience of learners. As such, we are committed to evidence-based, pedagogical approaches that are theoretically appropriate, mitigate harm, and elevate inclusion and equity and outcomes. Simulation methodologies or practice-based instruction in the Center will not result in marginalizing or privileging others, or intentionally subjecting learners to unnecessary physical, emotional, psychological, or spiritual vulnerability.

New Faculty Simulation Center Orientation Sessions

- August 24th from 1-2pm, DCIH 320
- August 25th from 9-10am, DCIH 320
- August 28th from 10-11am, DCIH 320
