Presenting

Requesting Organization: Cardiothoracic Surgery Society

1. Title of Request:
2. Name(s) of Requester(s): Anthony Neubacher
3. Amount Requested: \$439.60
4. Description of Request: My organization greatly needs to practice suturing techniques, which is best accomplished by obtaining suturing kits. This is a great way to interact with students and to get them to realize if they want to go into surgery or not. This also puts them ahead of many other applicants because they would already have background suturing, which is extremely essential in surgery. We would only need about 20 suturing kits, which are each 20 dollars.
5. Discussion: This RSO is requesting suturing practicing equipment so their members can gain experience with suturing. The kits can be reused and used by different medically focused RSOs. The kits will be available for all students to use. The request is updated to reflect the cost without taxes.
6. Final Motion to: Approve in Full

5 FOR 0 AGAINST 0 ABSTAIN
