

Appropriations Funding Board Agenda

September 24th, 2021 at 1:30pm

Kirkhof Room 2263

- 1) Opening of Meeting: 1:30pm
 - a) Meeting Called to Order
 - b) Committee Introductions: All members present
 - c) Organization Role Call

- 2) Hearing of Requests
 - a) Laker Racing Formula SAE - Org present
 - i) Jim asks about structure of competition
 - (1) Competition is structured around teams building a car themselves and competing through different challenges
 - (2) International competition, world-renowned
 - ii) Aaron Rusch:
 - (1) How many people attend on behalf of GVSU?
 - (a) "Core" members attend, about 20 people
 - iii) Josh:
 - (1) How well does OUR team compete?
 - (a) Usually around 60-70th place
 - iv) Aaron:
 - (1) How does the team source their materials?
 - (a) Sponsors for the team
 - v) Approved in full: \$2,550

- 3) Adjournment: 1:37pm

Budget Request: FSAE 2022 Competition Registration

This is a request to register GVSU's FSAE Racing group to attend the competition held at Michigan International Speedway (MIS) in June 2022. Registration is required Nov 1st of 2021.

The Formula SAE competitions challenge teams of university undergraduate and graduate students to conceive, design, fabricate, develop and compete with small, formula style vehicles. The competition is an engineering education competition that requires performance demonstration of vehicles in a series of events, both off track and on track against the clock. Each competition gives teams the chance to demonstrate their creativity and engineering skills in comparison to teams from other universities around the world.

Teams are to assume that they work for an engineering firm that is designing, fabricating, testing and demonstrating a prototype vehicle. The vehicle should have high performance and be sufficiently durable to successfully complete all the events at the Formula SAE competitions. Each student team design will be judged and evaluated against other competing designs in a series of Static and Dynamic events to determine the vehicle that best meets the design goals and profitably built and marketed.

Formula SAE promotes careers and excellence in engineering as it encompasses all aspects of the automotive industry including research, design, manufacturing, testing, developing, marketing, management and finances.

Requested Total	\$2,550.00
Adjusted Total	\$2,550.00
Date Created	Tuesday, September 7, 2021 11:38:27 PM
Submitted By	Dawson Coats
Organization	Laker Racing Formula SAE
Status	Submitted on Friday, September 10, 2021 11:59:05 AM
Process	Organization Entry Fee/Tournament Fee/Annual Dues 2021-2022
