## Laker Racing:

Brake calipers and differential

Club engineer explains usage for each item requested.

Explain these parts will help the freshman get experience

Jacob: Asked about competition results:

Club replies that there have been 10-20 members in the club since 2014. Compete at MIS every year and place the highest and always trying to improve. Have a new mentor that they are hoping to learn from.

Jacob: Followed up with a question asking if they have two cars.

Club replies that they have one constructed and are in the process of a second but need these parts to complete it.

James: Asked how long the differentials will last.

Club responded that they differential will last about 8 years and the brake calipers will last about a year or every rebuild.

James: Asked about the amount of support they receive from the college.

Club replies that they have a mentor along with other faculty and external oversight.

Bethany asked if it was a pair of brake calipers or a singular brake caliper.

Club replies that its a pair of calipers.

Brock: Asked about how much a car cost.

Club replies that a car is about \$60,000 and that they receive sponsorships to fund the cost to build.

Jacob Motioned to approve

## Equipment Details

Describe the equipment your organization wants to purchase and how the equipment will be used. - Yarn, knitting needles, crochet hooks

Why does your organization need this equipment?

- so that there is no barrier to entry for new club members - they will not have to purchase their own supplies in order to learn. Also to hold events where we teach students walking by how to knit/crochet to increase club involvement.

How long is the equipment expected to last?

- Yarn will last at least through this academic year, needles and crochet hooks will not be given to club members as individual supplies, so will last for the foreseeable future.

If the equipment is damaged or malfunctions, what is the plan to repair the equipment?

- Equipment would be difficult to break (we plan to purchase durable, metal hooks/needles), but would likely have to be replaced

Where will the equipment be purchased from?

- Amazon.com

Please explain how your organization has researched the vendor and pricing information.

- creating a shopping cart on multiple websites (Meijer, JoAnn, Michael's) with the supplies needed and finding that they are the least expensive on Amazon

Is this the most cost-effective option available?

- Yes

## Storage Details

Where will this equipment be stored?

- Kirkhof Yarn Arts Club locker

Who will have access to this equipment's storage location?

- officers of the Yarn Arts Club

Please provide the name and contact info for the University staff member who will be responsible for the annual inventory of the equipment.

## Equipment Details

Describe the equipment your organization wants to purchase and how the equipment will be used.

- I would like to have 5 chess boards, tournament standard, and 5 chess clocks so that I can supply the equipment needed for the chess club to operate.

Why does your organization need this equipment? -

Can't play chess without a chess board.

How long is the equipment expected to last? - 1

year

If the equipment is damaged or malfunctions, what is the plan to repair the equipment? - I'll

pay for it.

Where will the equipment be purchased from?

- Any place with a chess set, possibly Meijers or Barnes and Nobles.

Please explain how your organization has researched the vendor and pricing information. - Each

board roughly costs \$20 with an additional \$20 for each chess clock.

Is this the most cost-effective option available?

- It is one of the most cost effective options without anything fancy or something for really serious chess players.

## Storage Details

Where will this equipment be stored?

- In my apartment

Who will have access to this equipment's storage location? -

Myself, president of the Chess Club.

## Budget Request: Alpha Weekend Retreat

This conference is open to all GVSU students. This weekend retreat will function as a part of a series of discussion groups we have hosted throughout the semester. Our goal for this retreat is to grow in our faith as well as in our relationships with each other as students. There will be several talks and videos throughout the weekend that focus on different parts of the Christian faith as well as ways we can be leaders and reach out to individuals on our university campus. We will also talk in small groups about typical struggles we face as college students, and ways we can overcome those through support of one another. There will also be time throughout the weekend for recreation and relaxation in order to form stronger friendships.
