Amount Allocated: \$2140.00

Narrative description of presentation/discussion and details on what was approved or unapproved in the request: Funding is being requested for an annual event hosted by the Japanese Cultural Association. The board asked the organization about the amount of food, and asked if this would be an overestimation when considering 110 students in attendance, and it was determined that there would be closer to 200 people. VP Aller suggested that the board should look at funding \$1950 for food, which would be funding for 150 people at \$13 a head. The board discussed that the promotions package was fairly straightforward and that it would be acceptable to fund this line in full.

Motion to: adjust line item 2 to \$1950, Approve in full
