Help Alternative Breaks

Alternative Breaks, a service and advocacy student organization at GVSU, wants to organize a Campus Service Fair to connect students with local non-profits and volunteer opportunities. The event will feature representatives from various organizations, interactive booths, and a panel discussion on community service. The goal is to inspire students to get involved in meaningful volunteer work.

The event is scheduled to take place in six weeks, and the Alternative Breaks E-Board is responsible for planning, promoting, and executing the program. However, they are unsure where to start and need to utilize resources from the Student Organization Support (SOS) website to ensure the event's success. **HELP THEM!**
