The U.S. Customs Service and U.S. Citizenship and Immigration Services require Grand Valley State University to obtain verification of financial support for at least one academic year. The following expenses are estimates only and are subject to change by the Grand Valley State University Board of Trustees.

Summer expenses are not included in this total. You should anticipate \$4,000 in additional support for summer expenses. This should cover tuition, fees, and living expenses.

These amounts are considered to be **minimum** expenses for a full course of study and living expenses for two semesters. Grand Valley does not require students to purchase health insurance or books from the university, but all students should have enough funding to cover health insurance and book costs. Students should have a minimum of \$1,200 for health insurance and \$1,000 for books.

ESTIMATED FEES FOR AN ACADEMIC YEAR (TWO SEMESTERS)

Tuition and Fees	Undergraduate	Graduate
Tuition and required fees	\$19,250 ¹	\$13,250 ²
Estimated Living Expenses		
Room and Board (on-campus)	\$9,250	\$9,250
TOTAL	\$28,500	\$22,500

¹ Some Grand Valley State University colleges, schools, and departments carry an additional tuition charge per credit hour for some courses.

² Depending on your program, the actual tuition may differ from this estimate. This estimate is based on taking 12 to 15 credits for undergraduate students and 9 credits for graduate students. This is a typical amount of credits for undergraduate and graduate students. However, some programs may require a higher amount of credits per semester.

APPLICANTS USING INSTITUTIONAL OR GOVERNMENTAL SUPPORT

If your program of study will be financially supported by an institution, foundation, or government agency, your financial sponsor must submit a letter of support on official letterhead. This letter must:

- Specify the expenses to be paid on your behalf
- Name Grand Valley State University
- Indicate that the institution or agency has adequate resources to guarantee at least your first year of study

APPLICANTS USING PERSONAL OR PRIVATE SUPPORT

If you plan to pay for your education with private funds, you or your financial sponsor must complete the *Statement of Financial Support* on page 5 of this application. In addition, you must submit the required financial documents in order to receive your I-20.
