

Resident Parent Application
Dependent Student

Please complete the following four steps to receive consideration for residency reclassification:

1. Complete the application for reclassification as a resident student, properly execute before a Notary Public and return to the Registrar's Office, Grand Valley State University, Allendale, MI 49401.
2. Provide copies of any other documents which support your claim of residency in Michigan for at least six months (see residence policy for examples). Applications received without documentation will not be reviewed for residency.
3. Attach a written statement that would describe the circumstances that you wish to have considered with this appeal.
4. Applications for reclassification received prior to the 11th calendar day of the semester may be considered for the current semester.
