REQUIREMENTS FOR SPANISH EDUCATION STUDENTS

Michigan Department of Education (2004) Standards for Foreign Language Teachers:

Teacher candidates must demonstrate a proficiency level of *advanced low* in all four skill levels. This applies to major and minors.

- Reading
 - Writing
 - Listening
 - Speaking
- } assessed on MTTC
- assessed via Oral Proficiency Interview (OPI)

The MTTC covers six areas: listening comprehension, writing proficiency, reading proficiency, grammar and language comparisons, pedagogy, and culture. The MTTC should not be taken until you have completed 90% of your content area course work. Because it addresses pedagogy, SPA 314, should be taken prior to taking the exam.

“All modern language majors and minors must reach a minimum of Advanced-Low on the OPI (Oral Proficiency Interview) before Student Teaching (ED430/431).”

What does Advanced-low proficiency look like?

Advanced-level proficiency requires that students are able to participate in most informal conversations and a variety of formal conversations on topics related to school, home, leisure activities, work, and current events. They are able to narrate and describe in the past, present, and future in paragraph length discourse (combining and linking sentences). They are also able to discuss some abstract topics and support some opinions (characteristics of the superior level).

Study abroad is strongly encouraged for all Education students. Research has shown that study abroad for *at least one semester* is necessary if students expect to reach the Advanced Low level of oral proficiency. University foreign language majors who have not lived in a country where the language of study is a majority language tend to finish their degree with an intermediate high level of proficiency (Swender, 2001).

What is the OPI?

The OPI was designed by the American Council on the Teaching of Foreign Languages (ACTFL). It is a recorded “interview” which is double-rated; individuals can take the OPI either on the phone or via the computer. The structure of the OPI is as follows:

- 5-minute warm-up
- “cycles” based on a variety of topics, with steadily increasing levels of difficulty
- Brief role play
- Wind down

When should I take the OPI?

It is highly recommended that students complete a practice OPI before signing up for the actual test.

Practice tests are administered by a department faculty member:

Professor Fernández Flórez	fernacar@gvsu.edu
Professor Fidalgo-Eick	fidalgom@gvsu.edu
Professor Linford	linfordb@gvsu.edu
Professor Vrooman	vroomanm@gvsu.edu

We also advise that students take the OPI as soon as possible upon returning from a study abroad.

To sign up for an OPI contact the MLL Department: 331-3203
