

How to Use Citizen Connect

To register please visit <https://www.tocite.net/gvsu/portal>

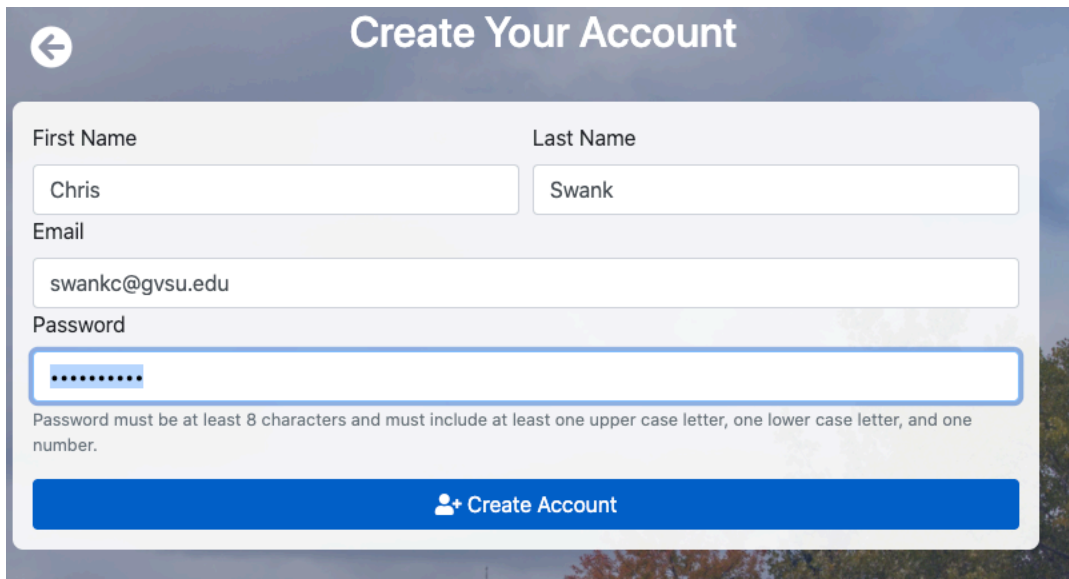

This will take you to the GVSU Citizen Connect Home Page. Next you'll click Login in the upper right hand corner.

If you have not requested to register for a permit for the 2021 Academic year, you'll need to create an account. If you have already done so, you'll login using the credentials you used to create the account.

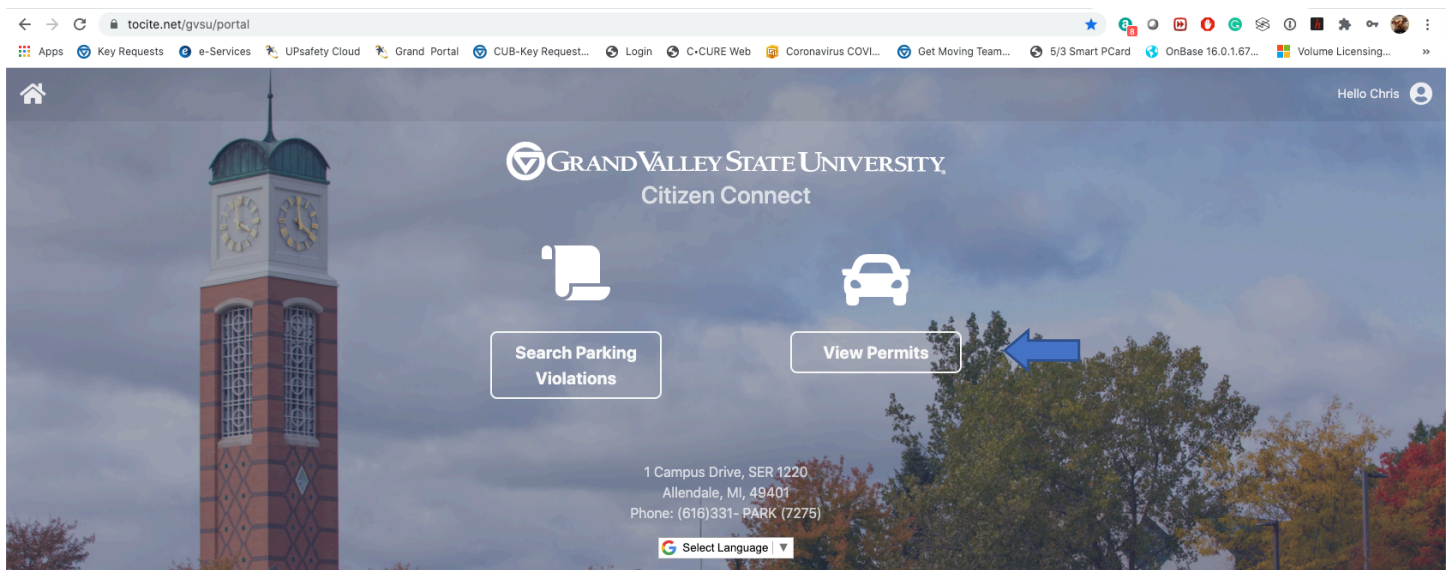

Fill out the requested information and click Create Account. When creating an account, we recommend using your GVSU email address.

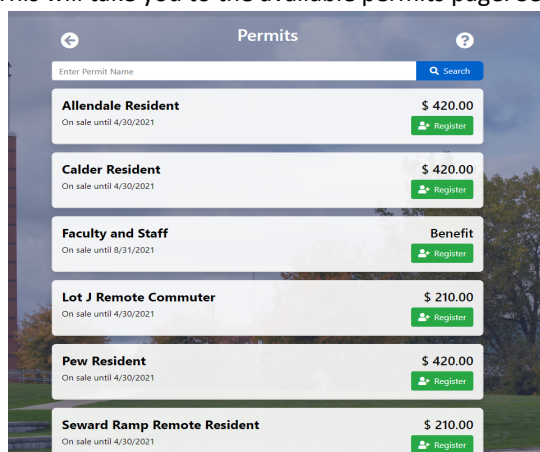

The 'Create Your Account' form is displayed on a mobile device. It includes fields for First Name (Chris), Last Name (Swank), Email (swankc@gvsu.edu), and Password (masked with dots). A blue 'Create Account' button is at the bottom. A password requirement note states: 'Password must be at least 8 characters and must include at least one upper case letter, one lower case letter, and one number.'

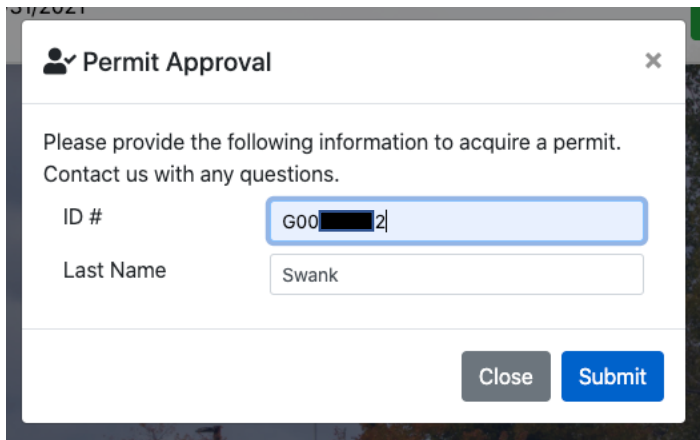

Once you've clicked Create Account, it will automatically log you in. Next click on View Permits.

This will take you to the available permits page. Select the Register tab for the Faculty and Staff permit.

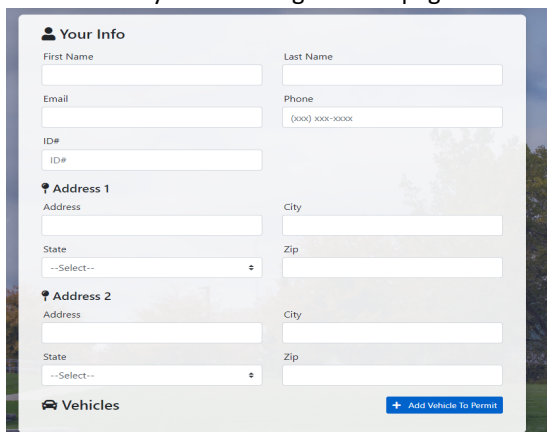

This will take you to the Permit Approval page. You'll need to provide your G# and your last name to verify you are eligible for the permit you selected.

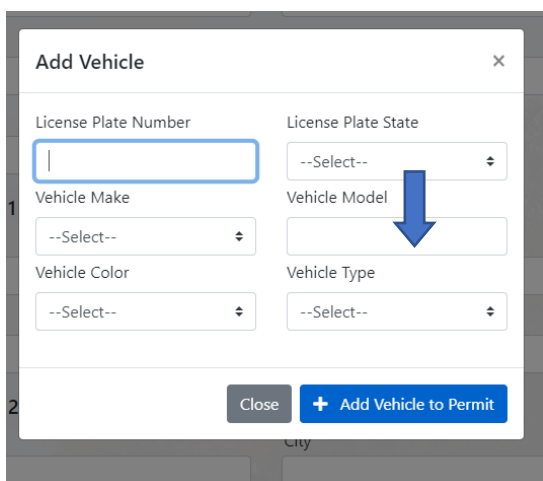

A dialog box titled "Permit Approval" with a close button (X) in the top right corner. The text inside says: "Please provide the following information to acquire a permit. Contact us with any questions." There are two input fields: "ID #" with the value "G00[REDACTED]2" and "Last Name" with the value "Swank". At the bottom right are two buttons: "Close" and "Submit".

This will take you to the registration page. Please complete the Your Info page, and then select Add Vehicle to Permit.

A registration page titled "Your Info" with a close button (X) in the top right corner. It contains several input fields: "First Name", "Last Name", "Email", "Phone" (with a placeholder "(xxx) xxx-xxxx"), "ID#" (with a sub-field "ID#"), "Address 1" (with sub-fields "Address", "City", "State" (dropdown), and "Zip"), "Address 2" (with sub-fields "Address", "City", "State" (dropdown), and "Zip"), and a "Vehicles" section with a "+ Add Vehicle To Permit" button.

Add your vehicle information and select Add Vehicle to Permit when finished. You may add one vehicle when you register for the permit. If you will be driving another vehicle, you will need to add them after you have registered by managing your account and adding them in the Your Vehicles section. The permit must always be associated with the plate of the vehicle you are parking on campus. Directions on how to do this are below.

A dialog box titled "Add Vehicle" with a close button (X) in the top right corner. It contains several input fields: "License Plate Number" (with a blue border), "License Plate State" (dropdown), "Vehicle Make" (dropdown), "Vehicle Model" (with a blue arrow pointing to it), "Vehicle Color" (dropdown), and "Vehicle Type" (dropdown). At the bottom are two buttons: "Close" and "+ Add Vehicle to Permit".

When you are finished adding all personal and vehicle information, please accept the Terms and Conditions and then select Register for Permit at the bottom of the page.

You will receive a confirmation email that your permit request has been received. Permits should be processed within 48 business hours and mailed via USPS to the address provided on the Your Info page.

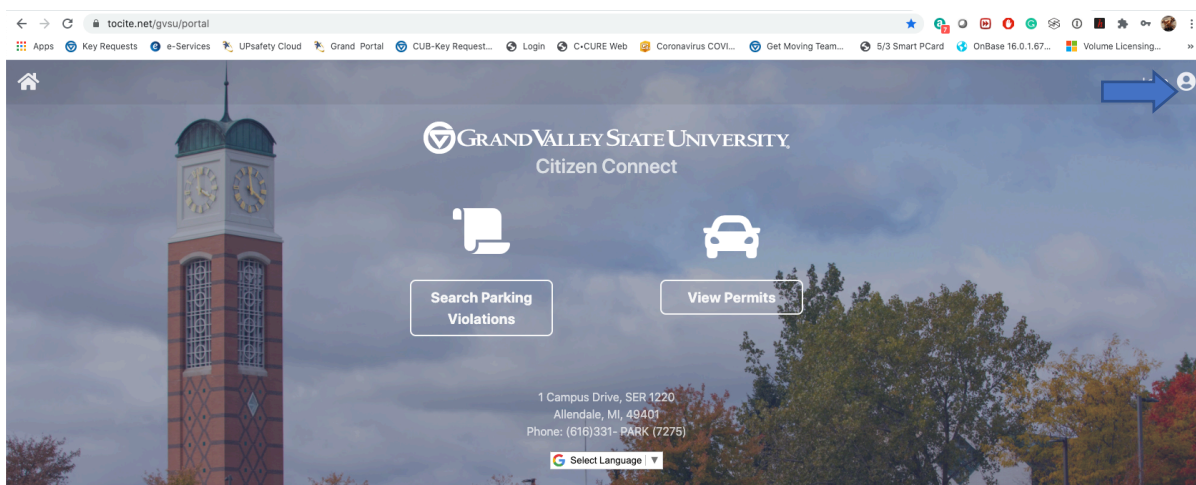

If you have not received your permit within two weeks, please give The Parking Services office a call at 616-331-7275 or email us at parking@gvsu.edu

Thank you for registering for your parking permit. We hope you find the process smooth and seamless!!

Need to switch which vehicle is associated with your permit?

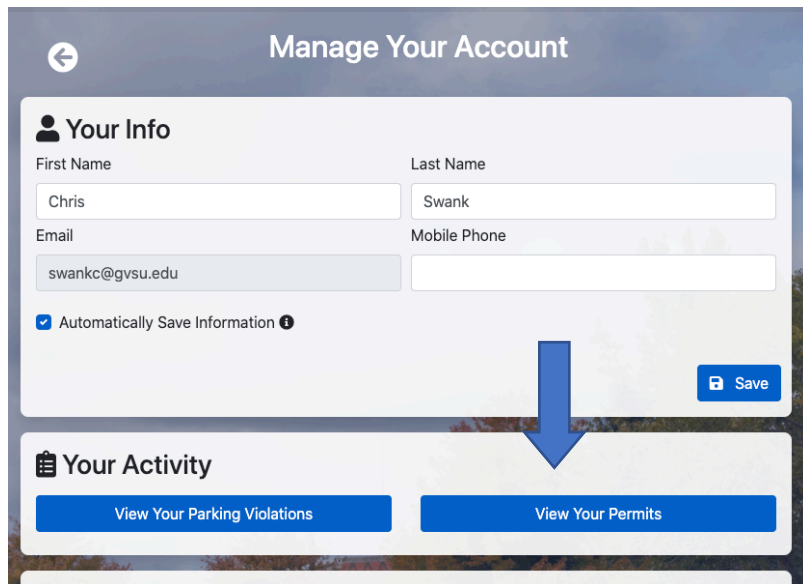

First, login to your account by clicking login in the top right. If you are still logged in, you'll click the person icon and then click manage account.

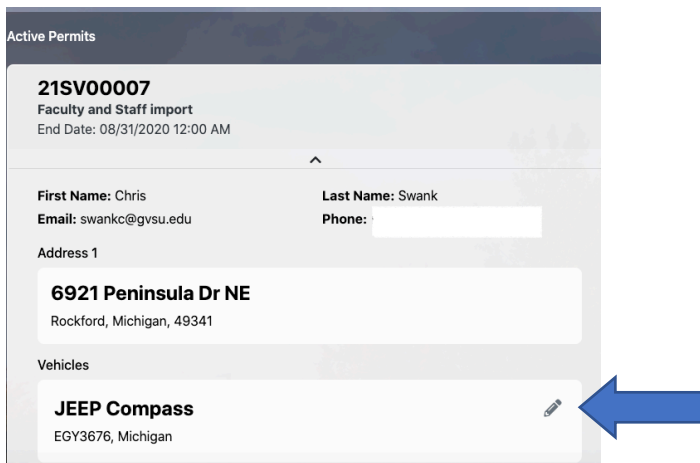

Next, you can add additional vehicles to your portal account.

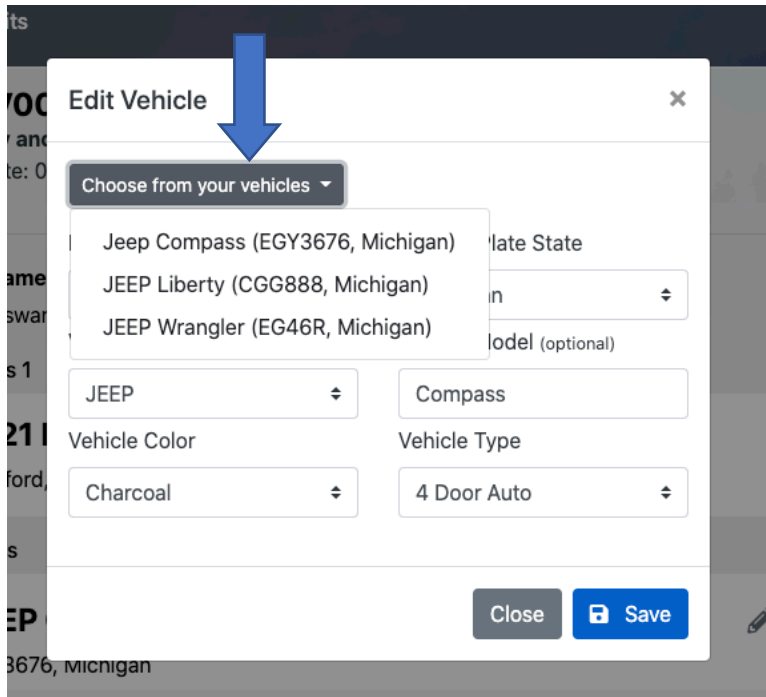

To associate a new vehicle with your permit, click on View Your Permits.

Next click on the pencil next to the vehicle that is currently associated with the permit.

Click on Choose from your vehicles or enter in the new information and then click save. Don't forget to switch this to the vehicle you've driven for the day if you change often.

The image shows a screenshot of a web application with an "Edit Vehicle" modal window. A blue arrow points to the "Choose from your vehicles" dropdown menu, which is open, showing three options: "Jeep Compass (EGY3676, Michigan)", "JEEP Liberty (CGG888, Michigan)", and "JEEP Wrangler (EG46R, Michigan)". The modal form contains several input fields: "Plate State" (with a dropdown arrow), "Model (optional)" (with a dropdown arrow), "JEEP" (with a dropdown arrow), "Compass" (text input), "Vehicle Color" (with a dropdown arrow), "Charcoal" (with a dropdown arrow), "Vehicle Type" (with a dropdown arrow), and "4 Door Auto" (with a dropdown arrow). At the bottom right of the modal are "Close" and "Save" buttons. The background shows a list of vehicles with columns for "Name", "Plate", "State", "Model", "Color", and "Type".
