

Battle Creek Apartment Information for GVSU Teacher Interns

Welcome to the Battle Creek Public Schools Student Teaching Pipeline! To assist you in your search for housing, starting on page 2 is a list of some of the apartment options in Battle Creek. Please do not consider this an exhaustive list. Also, please keep in mind that not all of the rent information on this list is for short-term leases, but is the general one-year lease information from websites. Please contact the leasing offices for the most accurate information about the type of lease that you would like.

As a reminder, your scholarship funding covers:

- Tuition for up to 16 undergraduate credit hours
- A stipend of up to \$4,300* to cover the following educational expenses:
 - \$4,000 for housing
 - \$200 for books
 - \$100 for gas

* Final stipend amounts can vary, depending on your overall financial aid package. Please be aware that final decisions about scholarship eligibility are determined by the Office of Financial Aid and Scholarships. All Financial Aid policies apply, including [Satisfactory Academic Progress](#).

 - Your stipend will be sent to you in the form of a financial aid refund during the second week of your internship semester. You can log in to myBanner and check your eBill to see what the amount of your refund will be. Details about the ways you can receive and use your refund are [here](#).
 - Please be aware that if you register for more than 16 credit hours, your stipend will be applied toward your tuition first and any money that is remaining (if any) will be paid to you as part of your financial aid refund.
- When searching and applying for housing, you can inform leasing offices that you will be receiving a scholarship to help pay for your housing expenses. The Office of Financial Aid and Scholarships will have a link on their website that lets you request a [Landlord Letter](#) for this situation. The letter will be emailed to your GVSU email account and it will state the estimated amount of your financial aid refund. If you need a letter before the link is on the website, you can request one by contacting the Office of Financial Aid and Scholarships at 1-800-748-0246 or finaid@gvsu.edu.

A previous GVSU intern highly recommends Bailey Park. These are comments she submitted, hoping to help future students: - "It is only a few minutes from downtown, surrounded by fast food restaurants and a gas station, and the drive to all the schools is between 5-15 minutes depending on the school." - "It was safe and quiet. I rarely heard my neighbors in my building and I always felt safe. My dad called the police department before I signed to see if they had many calls there and they reported most calls were noise complaints and rarely anything involving violence." - "The building is not as modern as some other apartments downtown...It personally did not bother me as it was clean and safe." - "I felt very blessed and taken care of at Bailey Park Apartments.
