Application Essay: See Page 2 for essay prompt.

Selection Process: Students will be selected through an application review process and possibly an interview. Selected students must have successfully completed all teacher assisting apprenticeship requirements and associated academic courses. Scholarship funding covers full tuition for up to 16 undergraduate credit hours and up to a \$4,300* stipend to help with the cost of housing, books, and gas. *Please note: Final stipend amounts can vary, depending on students' overall financial aid packages.

Essay: In 100 words or less, please tell us why you are interested in the opportunity to student teach in Battle Creek Public Schools.

Please submit this application to Denise McConnell-Brown in the Office of Certification and Accreditation, mcconnde@gvsu.edu. Please submit this scholarship application when applying for your Teacher Assisting Apprenticeship. This provides time to coordinate Battle Creek Student Teaching Internship placements.
