

ExCEL Camp

GVSU Exploring Careers in Education and Leadership Camp

Are you interested in a future career as a teacher?

ExCEL Camp

Exploring Careers in Education and Leadership (ExCEL) Camp is a residential camp designed to help rising BCCHS seniors think about careers in education, gain opportunities to be a student leader, and prepare for pursuing college education. Scholars in the five day program will develop leadership skills, explore Grand Valley State University and the West Michigan community, and learn more about college life in preparation for their senior year. Scholars will work with GVSU undergraduate student counselors and faculty members.

Camp Scholars will earn a \$500 stipend after successful completion of the camp.

Space is limited and priority will be given first to students who are interested in a teaching career.

To Apply, Scan QR Code for parent/guardian form OR complete attached parent & student paper forms.
