

# ACE WOMEN'S Network<sup>TM</sup> Michigan

## *Mentoring Mondays* **May 24, 2021**

The MI-ACE 2021 Virtual Annual Conference is rapidly approaching. If you have not already registered, please do so now as available seats are nearly filled. Don't miss the opportunity to be part of this historic event. We are especially excited about our new pre-conference feature, **"Making the NetWORK - 1:1 Mentoring Sessions."**

These mentoring sessions will offer an opportunity for attendees to engage in conversations to enhance their careers and learn more about the Network. They are designed to be short but meaningful one-time sessions, although mentor and mentee might agree to schedule additional time to chat.

We are encouraging mentees to sign-up at: <https://forms.gle/ebpfXrLF1XHTWT7QA>. Since a large number of registrants are "first time" attendees, we are encouraging these first timers to take advantage of these sessions. We are also encouraging Executive Board members and Institutional Representatives to volunteer to serve as mentors by sending an email to Martha Grier, Co-Chair of the Professional Development Committee, at [marthagrier1@gmail.com](mailto:marthagrier1@gmail.com).

Remember, the theme of this year's Virtual Annual Conference is "Advancing Women in Higher Education," and is scheduled for Monday and Tuesday, June 14-15. Registration closes June 1, 2021. We would like to thank the Conference Planning Team at Madonna University and the WOCC Planning Team for putting together an outstanding lineup of keynote speakers and breakout sessions. **See you at the conference!**
