June is Pride Mentoring Month

The National Mentoring Partnership has designated June as Pride Mentoring Month. This project primarily focuses on lifting up a movement built upon fighting for equality and acceptance for all. As we commemorate "Pride," we must remember that Pride started with a protest. The Stonewall rebellion was a protest led by people of color that sought to defend the LGBTQ+ community from police brutality ~ which is so resonant today. To learn more about the #MENTORPride campaign and how you can get involved, visit www.mentoring.org/pride.
