

Parking, Drop Off and Pick Up Details

Attached please find the parking guidelines for any student who will commute. The Fulton St. Lot (14) is reserved for conference guests, and this lot will also be available for TESA student use.

Any student who is dropped off/picked up can drive into the DeVos Lot (11). Simply tell the parking booth attendant that you are being dropped off/picked up for the Teen Entrepreneur Summer Academy.

We will have a staff member visible to you at the arched entrance of the building. We will “collect” our student participants at this location and bring them back to this location at the end of the day – in an effort to ensure that no one gets lost or confused about where they should be.

If you have questions or concerns, please contact our office at cei@gvsu.edu or (616) 331-7582.
