## Meet This Week's Alumni Feature

**Name:** Jenny Henkel

**Pronouns:** she/her/hers

**Educational Path** I entered GVSU undecided until I went to an HTM event my Freshman year and decided to pursue Hospitality with an emphasis on Tourism and a minor in Business. The experience I gained during my three internships, along with the opportunity to travel, gave me a great head start in my career and helped prepare me for life after graduation.

**Current Position:** Guest Service Coordinator for the Van Andel Institute

**Advice:** Don't underestimate the value a service background can give you. Having the skills to be adaptable, resourceful, and positive while faced with challenges in the workplace will be a huge asset.
