

Iraq Video Collection

From Mesopotamia to Iraq

(1991) 26 minutes/in English

After an illustrated overview of the history and culture of Mesopotamia, the video moves forward in time to modern-day Iraq and explores it from the vantage point of its rich past.

Robbing the Cradle of Civilization: The Looting of Iraq's Ancient Treasures

(2004) 42 minutes

Part detective story, part historical thriller, part archaeological tragedy, the documentary is a grim reminder of the spoils of war.
