VOLUNTEER TUTORS NEEDED!

Bethany Christian Services' Refugee Tutoring program supports refugee youth as they pursue their goals of learning English, getting an education, and preparing for future independence. Volunteer tutors have the opportunity to help our youth develop their English skills and improve their grades in school!

- **Weekly group tutoring sessions** start Wednesday, 9/17 (emphasis on ESL tutoring and homework help).
- Opportunities to do **one-on-one ESL tutoring** separate from the weekly sessions.

Spanish-speaking skills are a plus but not required. ESL and Math tutors needed!
