GVSU and Qualtrics Survey Software

- GVSU has purchased a site wide license with Qualtrics
- The software is available to all GVSU employees
- The software is self-taught. Please refer to the instructions online under Help & Feedback once your account is set up.

1. On a web browser, go to gvsu.qualtrics.com
2. Login with your GVSU network credentials
3. Click on ‘I don’t have a Qualtrics Account’
4. Click on Accept Terms of Service button
5. You are now ready to create a Qualtrics Project! Click Help & Feedback for instructions or follow the prompts to create your survey project. Good Luck!
