

# DR. COREY SEEMILLER'S STUDENT LEADERSHIP COMPETENCIES

PETER C. COOK LEADERSHIP ACADEMY  
2021-2022

## Problem Solving

Identifying a problem, developing possible solutions, and selecting the most appropriate solution to that problem.

## Empowerment

Sharing power, information, and resources with others so they can have a sense of ownership, accountability, and commitment.

## Social Responsibility

Acting in ways that benefit, not detract from, the welfare of society and its members.

## Listening

Using strategies to accurately receive a message that someone conveys through verbal communication.

## Ethics

Upholding standards of conduct based on socially accepted values.

## Responding to Change

Quickly, positively, and smoothly transitioning in response to a known or unknown change.
