¹Students who self-place into WRT 120 should take this course in the fall semester and then take WRT 130 in the winter semester of their first year. WRT 150 can take it in either semester during their first year. Students will not need to take WRT 150 if they have earned credit for the course through AP/Dual Enrollment. A grade of C or better (**NOT A C-**) is required in WRT 130 or 150 to satisfy the WRT requirement.

²Number of 1 - credit classes electives are dependent on WRT placement.

³Minor/Elective – students often have enough credits to select a minor to complete with the major. See both your Academic advisor and Faculty Advisor for more information.

⁵SWS = Supplemental Writing Skills. Students must complete 2 courses with a SWS attribute.

*Students must have a minimum of 120 credits to graduate with 58 of the 120 credits being from a senior level institution like GVSU and the final 30 credits of the 120 credits are specifically to be completed at GVSU. Elective refers to any course that will help meet these requirements.

*The block tuition rate is for 12-15 credits. You will pay additional tuition for any credits over 15. For more information contact the Office of Financial Aid.

*A major GPA of 2.0 or higher within the major is required to graduate.
