

LAKE MICHIGAN WRITING PROJECT

SUMMER INSTITUTE

July 8 - July 25, 2024

Mondays - Thursdays, 9 A.M. - 3 P.M.

GVSU Pew Campus, Grand Rapids, MI

Our Invitational Summer Institute is for K-12, college, and university educators who want to improve their writing instruction. By gathering teachers from across the grade levels to learn with and from each other, we make sure that writing instruction in schools is as authentic and effective as possible. Admitting that we can't teach writing well if we ourselves aren't writing, the LMWP provides financial support for teachers to have space and time to write. These chosen Summer Fellows rekindle their own creative and critical voices, revise meaningful drafts, and exchange feedback with peers. For three weeks, participants read scholarship on the teaching of writing, write, reflect, and design lesson plans with respectful and fun-loving colleagues. Participants are enrolled in ENG 632 at GVSU with a full, three-credit scholarship.
