

# Rekindle your love for teaching writing!

## SUMMER INSTITUTE

*by the Lake Michigan Writing Project*

**June 22 - July 9, 2020 | Mondays - Thursdays, 9 A.M. - 4 P.M.  
GVSU Pew Campus | Grand Rapids, MI**

Summer Institute is a fellowship for teachers who want to improve their writing instruction by rekindling their own creative and critical voices. For three weeks you will read, write, and reflect on your teaching practice with respectful, curious, and fun-loving colleagues. You will become a teacher-scholar with power over your practice.

Participants who successfully complete the fellowship will receive a \$400 stipend or a full, three-credit GVSU scholarship. Summer Institute is co-led by elementary, secondary, and college educators.

*The Lake Michigan Writing Project is the local site of the National Writing Project.*
