

**Impact 30 Grant**  
Acknowledgment of Support

The Board of Directors of \_\_\_\_\_ hereby acknowledges that we have been informed of the school's intent to apply for an Impact 30 grant through the GVSU Division of K-12 Education and Scholar Success and express our full support for the proposed initiative.

We recognize the potential impact this grant may have in advancing innovative practices within our charter public school community and are committed to supporting the administration and staff throughout both the application and implementation phases. We understand that, as a condition of this grant, the following assurances apply:

- We affirm that the school has the capacity and authorization to carry out the proposed project if awarded funding.
- We agree that grant funds will be used solely for the purposes outlined in the application, and we will provide appropriate oversight to ensure proper stewardship and compliance.
- We acknowledge that appropriate school staff will be designated to manage the grant and reporting requirements, their participation in required grant-related meetings, trainings, or events, and (if applicable) support their collaboration with any community organization partners.
- We understand that the project may be highlighted in GVSU communications and support staff in facilitating any required media permissions.
