

*Need help preparing for the math
portion of the MTTC PRE?*

The Math Center can help!

The Allendale Math Center has a copy of the MTTC PRE Study Guide for use while in the Center. You can also access the Study Guide on-line and bring in your questions to either the Allendale (MAK A-2-601) or PEW (EC 101) Math Center. Visit the CLAS Advising site for information about the test (<http://www.gvsu.edu/clasadvising/mttc-220.htm>).

To access the study guide:

- * visit the GVSU library databases (<http://libguides.gvsu.edu/az.php>)
- * Click on M to access Mometrix
- * Once in Mometrix, click on the Teacher link
- * Scroll down to MTTC Professional Readiness Examination (096) Secrets under the “Secrets” category

Test dates for the MTTC can be found at: http://www.mttc.nesinc.com/MI17_testdates.asp?pagetype=PBT

Sign up for MTH 380 for extra preparation!
