

GVSU Faculty & Staff Technology

Grand Valley Information Technology (IT) connects you with the technology resources, services, and tools you need to teach, research, work, and succeed. Whether you're new to GVSU or have been here for years, explore key technology resources to help you get started.

Find Technology Resources

Explore the Faculty & Staff page at gvsu.edu/it for technology resources, system information, training, and support.

Visit the Service Portal

Need help? Visit the Service Portal at services.gvsu.edu to browse how-to articles or submit a support ticket.

Access All Your Applications

my.gvsu.edu is your dashboard for all applications used at GVSU, including Workday, Blackboard, and email.

Get IT Help
