2 in 5 college students experience food insecurity.

At Replenish, we believe that basic needs aren't "basic," they're essential.

That's why we strive to be more than a food pantry. We offer cooking demos, a laptop loan program, links to campus and community services, and more— creating a holistic support system for our community.

Replenish is open to all Lakers.

You can support Replenish by:

- Donating online
- Hosting a food drive
- Signing up for volunteer emails
- Getting involved with our Giving Tuesday Campaign
- Helping students sign up for a PantrySoft account

Faculty Members! Ask us about including a Basic Needs Statement on your syllabus!

For more information, please contact us at replen@gvsu.edu or call (616) 331-2748.
