

GVSU Speech Lab

More practice,
less panic.

Our mission

The mission of the GVSU Speech Lab is to empower speakers to shape their lives, professions, and society through confident and effective public presentations. Speech consultants, who are fellow GVSU students studying various majors, complete a nationally-certified training program that prepares them to assist with all parts of the speechmaking process including choosing a topic, organizing ideas, and practicing presentations.

How we assist our clients

- Anxiety-reduction techniques
- Attention getters
- Delivery (“body language”)
- Oral citations
- Organization and outlining
- Panel / group presentations
- Speaking notes
- Transitions / message flow

Our locations

Mary Idema Pew Library (Valley Campus), 1st floor
