LIB 100 approved

Example: How Birth Year Influences Political Views

Amanda Cox is a graphics editor at *The New York Times*, where she makes charts and maps for the paper and its website. She is a 2002 graduate of St. Olaf College. Before joining the *Times* in 2005, she worked at the Federal Reserve Board and earned a master's degree in statistics from the University of Washington. She received the Excellence in Statistical Reporting Award from the American Statistical Association in 2012 and was part of a team that won a National Design Award in 2009.

See <http://amandacox.github.io/> for examples of Amanda Cox's interactive graphic reporting.
