- 8) To access the full set of GLEAN Collections from off-campus, click on **Login** located at the right of the header graphic on the LUNA viewer. (Note: Please contact the Visual Resources Library at [paoy@gvsu.edu](mailto:paoy@gvsu.edu) or 616-331-2568 for off-campus Username and Password)

- 9) Type in your assigned username and password to access the following collections (which include Visual and Media Arts Department Collection, BFA Collection, Foundations Portfolios, Visual Resources Collection, Visual Resources Library (VRL) Catalog, and others).

The image shows the LUNA viewer login page. The 'LUNA' logo is at the top left. Below it is a navigation bar with 'COLLECTIONS', 'EXPLORE', 'CREATE', 'SHARE', and 'HELP'. The 'Log In' section is highlighted with a red rectangular box. It contains the text 'Welcome to LUNA' and 'Please login'. Below this are two input fields: 'Username:' and 'Password:'. A 'Submit' button is located at the bottom right of the login form.

- 10) You may select **All Collections** or a specific collection listed on the left collection panel to search for images or VRL collected books/media, and then type in a term in the search box. You may point to the down arrow sign in the search box and link to **Advanced Search** to conduct searches.

There you can find images or books/media by various indexes, and select one or multiple collections at the bottom of the advanced search window to perform cross-collection searches.

The screenshot shows the 'Advanced Search' window. The top section, highlighted with a red rectangle, contains three search criteria rows, each with a 'Hint' button, an 'And' button, an 'In' button, a dropdown menu set to 'All Fields', and a text input field. The bottom section, also highlighted with a red rectangle, shows a list of collections with checkboxes next to them. The collections are: BFA Collection, Foundations Portfolios, Visual Resources Collec..., Visual Resources Librar..., The AMICA Library, Catena-Historic Gardens..., David Rumsev Historical..., Estate Collection, and Farber Gravestone Colle... The 'SEARCH' button is located at the bottom right of the window.

(If you only select one collection from the ALL COLLECTIONS panel on the LUNA viewer or any collection on the Select All section on the Advanced Search window, the following indexes are available for you to select for searches.)

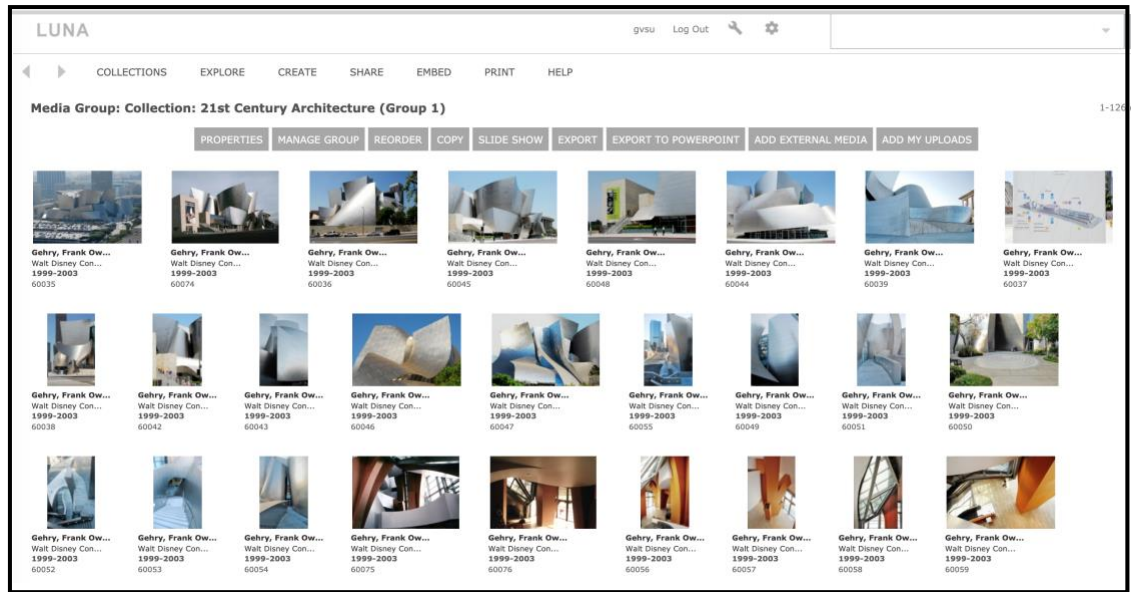

The screenshot shows the 'Advanced Search' window. A dropdown menu is open, displaying a list of search fields. The fields are: Creator Name, Classification Term, Contributor, Creation Date, Creator Name, Creator Nationality, Description, Dimensions, Materials and Techniques, Object Type, Open Glean Allowed, Owner Location, Record ID, Rights, Slide Collection Location, Source, Style, Title, View, Technical Metadata, and All Fields. The 'Creator Name' field is highlighted in blue. The dropdown is enclosed in a red rectangle. The background shows the search interface with 'Hint' buttons, 'And' operators, and search input fields. A 'Select All' button is visible at the bottom left, and a 'SEARCH' button is at the bottom right.

(If you click **Select All** on the Advanced Search window, you can only search by categories, i.e. Who, What, Where, and When.)

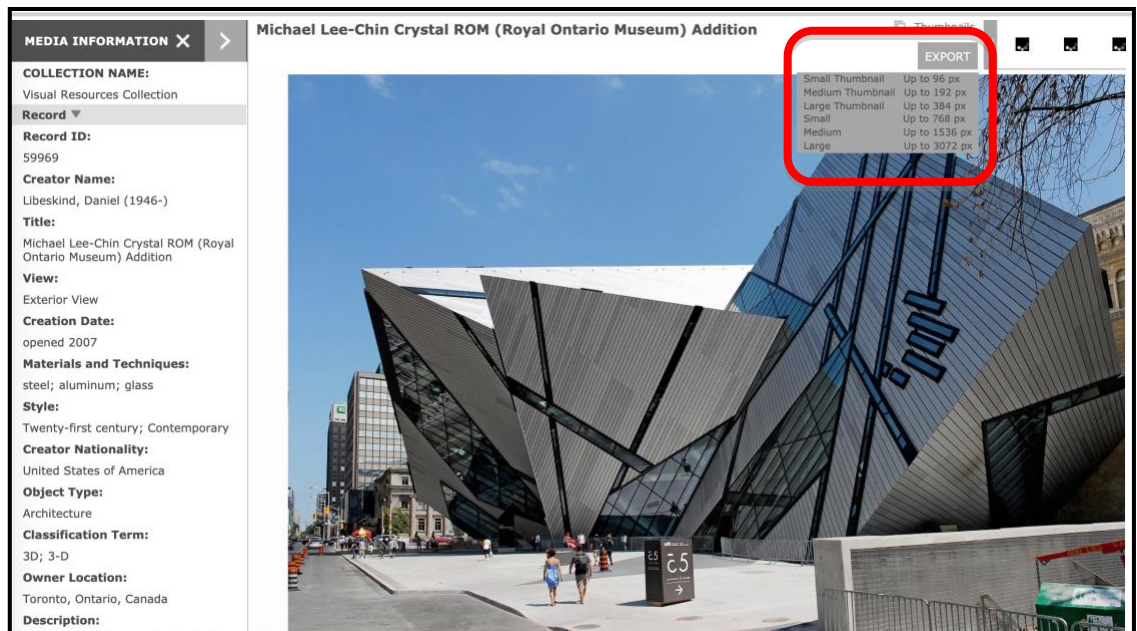

The screenshot shows the 'Advanced Search' window. The 'Select All' button is highlighted with a red rectangle. A dropdown menu is open, displaying a list of search categories: What, Who, When, Where, All Fields, and In Text Documents. The 'What' category is highlighted in blue. The dropdown is enclosed in a red rectangle. The background shows the search interface with 'Hint' buttons, 'And' operators, and search input fields. A 'SEARCH' button is at the bottom right.

- 11) Your search will pull up a result page of thumbnails. Click on an image on the page to access full image with media information.

- 12) On the detail view window of the image, click the **Export** button on the image window to select an export resolution. The export will be downloaded to your Downloads folder or default setting as a folder labeled "image#####.zip". Double click the zip folder to open another folder. This folder will contain a jpg image and media information file that can be opened or copied to various programs such as Preview, PowerPoint, Word, etc. (Note: Medium size is recommended for PowerPoint presentations.)

- 13) You may also create a media group to hold images in the group, as well as export images and media information into PowerPoint in batches. Please contact Visual Resources Library at [paoy@gvsu.edu](mailto:paoy@gvsu.edu) or x12568 for details.
