

INSTRUCTIONS: It is the student's responsibility to fill out this form with their instructor and then make three copies with signatures: one for the student, one for the instructor and then deliver the third copy to Dr. Dan Graser during Fall and Winter, and Dr. Tutt for Spring Summer. Once that is completed, a permit will be entered, the student will be notified and then the student may register for the appropriate independent study section. Only one form per independent study.

Faculty: Adjuncts will not be paid for independent studies unless the study addresses a specific curricular requirement that can only be addressed by the adjunct. Pay would be \$300 per credit. Summer independent studies will not be compensated. Faculty may report academic year independent studies on their FWR as a part of significant focus.
