

GVSU Concert Band
Intonation Sheet

Name _____ Instrument _____

Partner Name _____

- 1) Each person is assigned a "partner" to record your intonation record. Use your own tuner. Free Apps available online.
- 2) Beginning with the lowest note on your instrument, play that note with your best sound and standard embouchure. Your partner will use the tuner and record the pitch variance (+, -) and amount (in cents) in the "1st Attempt" column.
- 3) Attempt the second playing of the same pitch using the feedback from your partner. Your partner will record the variance, if any, in the "2nd Attempt" column. Move to the next note.
- 4) Change places with your partner and do the same.
- 5) Please do this project in two (2) sessions. Do half in one session, and the other half in the next session.
