

2024 Intercollegiate Rifle Club Championships Match Bulletin

Hosted by The X Count in Fort Wayne Indiana and Sanctioned by the American Smallbore Shooting Association.

The Intercollegiate Rifle Club Championships were conducted over 2 days from March 23rd and 24th 2024. 68 Competitors representing 12 Universities vied for the 3-P Smallbore Individual and Team championship conducted on the 23rd. The 60 Shot Air Rifle championship was held on the 24th where the individual and teams wrapped up the championship.

At 4:30 PM the awards ceremony and banquet was conducted inside the X-Count range, where the individual, team and All Star awards were presented to these fine shooting athletes.

The Intercollegiate Rifle Clubs are student led clubs or sporting clubs sanctioned by their respective schools. Not all members of the championship are necessarily part of a school team because some schools don't have a rifle club but if they meet the requirements of being a full time enrolled college student they are eligible to shoot the championships.

The course of fire is three position rifle shooting with single shot .22 Long Rifle cartridges fired from the Kneeling, Prone and Standing positions. The target is 50 feet away and is the USA50 target with a ten ring diameter of .076 inches. Twenty shots for record over the three positions for a possible score of 600. The air rifle discipline is fired from the standing position with the target being 10 meters away. The air rifles are limited to 600 feet per second velocities for the .177 caliber pellet. The bullseye on the ten-meter air rifle target is .5mm in diameter. 60 records shots in time limit of 75 minutes can produce a possible score of 600.

Three Position Smallbore Results

The individual championship's top 3 individuals were Gold Medalist Casia Steinhaus from the University of North Dakota with a score of 574-18x. The Silver medalist was Zachary Osvald from the University of Akron with a score of 571-24x. The Bronze medal was awarded to Keith Fatula from the Coast Guard Academy with a score of 569-19x.

Casia Steinhaus

Smallbore Champion, Air Rifle Champion, Overall Champion

All Star 1st Team Smallbore, Air Rifle and Overall.

All Stars

The Collegiate Club All Stars is made up of the top ten individuals from each of the fired disciplines. The All Stars ranking is calculated by the using the top 2 scores throughout the year in Sanctioned matches and the score from the Intercollegiate Rifle Club Championship. The average of those 3 scores determines the ranking score.
