

MID STATE RIFLE LEAGUE PARTICIPANTS

Congratulations on some great shooting this year. We had 5 teams and 33 individual participants. This was down a little from 2022, but still much better than the COVID era. If you have ideas for increasing participation, send them my way.

The Individual Champion for 2023 was Cameron Zwardt from the Grand Rapids team with a 393.3 average. Great shooting! The top Junior shooter was Carver Chittenden from the Grand rapids team with an average score of 376.4 per match. The Team Champion was the Wood County #1 team with a record of 29 wins, 6 losses, and 1 tie. The Most Improved Shooter was Jim LaVelle from Wood County #2 with an increase of 46.9 points per match. Nice work – that is a huge improvement!

The Match winner was awarded a plaque, the class winners and the top Junior were awarded plaques, and position winners were awarded medals. The 2nd place junior and the second place finisher in each position in the Marksman class also were awarded medals.

The awards are new this year. Longtime award supplier Blackinton stopped selling shooting medals and trophies. So, I found the medals online and designed the plaques and had them made by a local company. I like them, but that doesn't mean you will. Please let me know what you think, either good or bad.

Have a great summer. I am already looking forward to 2024.
