

“When my company offered Lincoln’s group accident insurance, there was no question of whether I would enroll.”

A financial safety net for those breaks and falls

Meet Kate, a 37-year-old working mom of three active elementary school kids.

My kids play – hard! Whether it’s on the playground or roughhousing in the TV room, there’s never a dull moment around here. Even my bookworm joins in. I love their energy, but there’s a part of me that’s worried about who’ll get injured (next!).

When my company offered Lincoln’s group accident insurance, there was no question of whether I would enroll. My coverage offers peace of mind and a cash benefit, should we have unexpected excitement around here.

While I added coverage because of the kiddos, would you believe it was me who ended up using it first? I tripped going down the stairs and ended up in the ER. How’s that for a twist?

With my copay and high deductible, I was looking at more than a thousand dollars in medical bills. My accident coverage, which costs less per month than my kids’ video game subscription, sent me a check that helped replenish what I had spent on my deductible and the babysitter for that ER trip.¹ All it took was a few clicks on Lincoln’s portal.
