# hello,

---

On behalf of Grand Valley, we would like to welcome the new addition to your family! Please accept our warmest wishes. Grand Valley has resources and support available to you to encourage you during this exciting time in your life. In an effort to make learning about the support available to you fun, relevant, and interactive, we have sent you this completely voluntary Parent Bingo. Learn about the resources and support available to you by working through this bingo sheet. Pick the ones that are most relevant to you. Some will have a question(s) to answer, and others just require a signature. When you complete four boxes (does not have to be in a row), take a picture and email it to Elisa Salazar at [salazael@gvsu.edu](mailto:salazael@gvsu.edu), and we will send you GV swag! Again, Parent Bingo is completely optional, and can simply serve as a reminder of the support available to you.

Be gentle to yourself as you embark on a life changing journey. Know that support and help is only a call away.
