

Eberhard Center Walking Map Directions

1. Enter the main East door and continue West to the main stairs.
2. Go up the stairs to the 2nd floor.
3. Head South down the hallway (passing the elevators to your right).
4. Turn West at the end of the hall.
5. Turn North at the end of the next hall.
6. Turn East at the end of the hall, ending at the top of the stairs.
7. Turn East down the hallway again, but turn left before the elevators and enter the door to the stairway.
8. Take the stairs to the 3rd floor.
9. Head South down the first hallway, and continue walking the entire perimeter of the floor until you reach the stairway again.
10. Take the stairs to the fourth floor.
11. Head South down the first hallway, and continue walking the entire perimeter of the floor until you reach the same stairway again.
12. Take the stairs to the fifth floor.
13. Continue walking the entire perimeters of floors 5, 6, 7, 8 and 9, while using the same stairway to reach the next floor.
14. After walking the perimeter of the 9th floor, take the stairs down to the 8th floor, and walk the entire perimeter of the floor again until you reach the stairway.
15. Take the stairs and continue walking the entire perimeters of floors 7, 6, 5, 4, 3 and 2.
16. Take the stairs down to floor 1 to end at the same place you began.
17. Finished

Total Distance: .3 miles and 885 steps
