# WHAT'S NEW?

## MEDICAL ADVOCACY

Medical Advocacy is a new approach to maneuvering through the healthcare system. It offers strategies to promote employee health, productivity, and well-being by serving patient populations throughout the entire lifespan, and by addressing health problems in every category of disease classification and in all disease stages.

### We Help With:

*Insurance Navigation, Doctor Referrals, Specialist Referrals, Care Transition, Discharge Planning, and Adult Care Coaching.*

## PERSONAL ASSISTANT

It can be difficult to find extra time in your day to manage everyday tasks, but the EAP Personal Assistant can help. The Personal Assistant helps to lighten the load through researching the best options to benefit you and your loved ones.

### Services Include:

*Entertainment & Dining, Travel & Tourism, Household Errands, and Service Professionals.*

**The Personal Assistant and Medical Advocacy services are now offered in addition to the existing EAP services:**

- Anytime, Anywhere
- Legal/Financial Resources
- Life Coaching
- Mental Health Counseling
- Work/Life Resources

**Private, Confidential & FREE for you and your household members:**

Participation with your EAP is voluntary and strictly confidential. Encompass does not report back to your employer about the things you discuss in private conversations.
