GVSU Faculty & Staff Policies

All of the following policies can be found in the Grand Valley Manual at www.gvsu.edu/gvmanual. The purpose of this Handbook is to provide all members of the Faculty, particularly those who are new to Grand Valley, with knowledge of certain policies, regulations, practices, and expectations which prevail at Grand Valley State University.

Exercise Release Time Policy

Faculty and staff well being is valued at GVSU. Physical activity is a vital component to well being and GVSU strives to increase the ability for faculty and staff to take time to fit physical activity into their day. Upon supervisor approval, GVSU staff may utilize up to two (2) 30-minute time periods a week to allow time to freshen up from, or in preparation for, a fitness class or individual workout. Pending schedules and workload, up to two additional 30-minute time periods may be permitted. This time can be added to the beginning of the workday, added to the lunch period, or to the day’s end. For further information visit www.gvsu.edu/healthwellness or contact the Health and Wellness Specialist at 616.331.2215.

Extending Probationary Appointments by Pausing the Tenure Clock

A faculty member may request an extension of the probationary period by pausing the tenure clock so that she or he may withdraw from teaching, work part-time or continue to work full-time while attending to other commitments. A request for an extension may be submitted regardless of pay status. The Dean may approve a request for a maximum of two (2) years in total during the probationary period. To find the policy in full, including all circumstances under which a faculty member may be approved for an extension of the probationary period, refer to the Faculty Handbook.
Maternity Leave Policy for Faculty and Staff

The Pregnancy Discrimination Act (PDA) is a federal statute that was passed in 1978 as an amendment to Title VII of the Civil Rights Act of 1964. Under the University’s salary continuation program, pregnancies are treated the same as any other medical condition that prevents a faculty member from working.

A faculty or staff member expecting a child should notify her supervisor in the early stages of her pregnancy to allow time to plan and make proper accommodations. The issues will vary in each case depending on the due date, whether or not there are any complications during the pregnancy, and whether or not the faculty/staff member is requesting additional unpaid leave.

The maternity leave program is flexible, allowing it to be applied to very different situations. Further details of the program are outlined in the Grand Valley Manual.

Please contact Beth Evans or Sue Sloop in Human Resources for more information.

For information regarding maternity leave policies for faculty and staff, please visit this website. For additional information regarding maternity leave for faculty, please refer to the Administrative Manual, Chapter 4, Section 2.30 under Benefits.

Family and Medical Leave

The Family and Medical Leave Act of 1993 (FMLA) gives eligible Grand Valley State University faculty and staff the right to take unpaid leave or paid leave, if appropriate benefits have been earned, for a period of up to 12 work weeks in a 12-month period. To see a listing of circumstances in which this policy applies, see the policy in the Faculty Handbook.

Adoption Leave

GVSU realizes the process of adopting a child can be very time consuming and difficult. Therefore, faculty and staff members may be eligible to apply for the Family Medical Leave Act (FMLA) or a personal leave of absence.
Adoption Resources

Grand Valley State University recognizes that faculty and staff choose to build their families in many ways. To support faculty and staff who are adopting, GVSU provides adoption resource information and financial reimbursement.

AFSN Office

Adoptive Family Support Network (AFSN) - Located in Grand Rapids, AFSN is a grass-roots community based non-profit agency offering volunteer parent-to-parent support and information to all members of adoptive families. AFSN does not facilitate adoptions, but provides adoption resource and referral information; a mentor program for adoptive families; a quarterly newsletter; a bi-annual local adoption conference; and training and educational programs.

For information regarding the organization’s activities, newsletter mailing list and volunteer opportunities, 616.458.7945 or visit the website.

Warmline

Non-crisis telephone adoption information and referral line that is staffed by trained AFSN volunteers. Calls are answered within 24 hours and telephone line is open 24 hours a day. 616.458.7608.

Qualifying Expenses

Qualifying adoption expenses will be reimbursed up to a maximum of $3,000 per child. Qualifying expenses are defined as those that are reasonable and necessary adoption fees, court costs, attorney fees, traveling expenses while away from home, and other expenses related to, and whose principal purpose is for the legal adoption of a child.

Process for Applying for Benefits

Upon formal placement of the adopted child, submit an adoption assistance claim form to Human Resources at 1090 James H. Zumberge Hall along with detailed receipts for eligible expenses. Human Resources will determine eligible expenses, the amount payable for reimbursement and will submit a request to the Payroll Office for payment. The reimbursement will be processed with the next payroll.

Taxation of Benefits

The amount of tax credits and exclusions available to adopting parents vary. Since an employer’s adoption assistance is not subject to income tax withholding, GVSU will not determine the extent to which the payment of reimbursement on behalf of each employee is eligible for the exclusion. However, GVSU will withhold taxes only for Social Security and Medicare.

Adding Dependent to Insurance

At the time of placement, you may add your child to your benefit plans. Any additions or changes must occur within 30 days of the official placement. Contact Human Resources at 616.331.2220 to add dependents.
