**INSTRUCTIONS to the EMPLOYER:** The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking FMLA protections because of a need for leave due to a serious health condition to submit a medical certification issued by the employee's health care provider. 1. I am responsible for ensuring that ultra time is completed with salary continuation/sick leave, or that my supervisor completes ultra time in my absence (Payroll will ONLY input short term disability and the supplement if requested). I must inform Payroll if I or my supervisor needs Payroll to complete ultra time in my absence.
2. If I do not have enough salary continuation/sick leave available for the first twenty days of short term disability (always check your salary continuation/sick time balance); the Payroll Department will **automatically** use lost time for the hours not covered by salary continuation/sick leave. **For MGS staff:** If I do not have enough sick leave available for the first twenty days of short term disability (always check your sick time balance), my accrued vacation balance will be used for the hours not covered by sick leave. My supervisor will input this vacation time in Ultra Time in my absence.
