

Padnos and Henry Hall Walking Map

1. Start on first floor of Padnos in front of room 168. Start walking East, then turn South by room 142. Continue until you reach room 128 and turn West. Continue West until you reach room 115 and turn North and continue until you reach your starting position.
2. Walk up the stairs until you reach 2nd floor of Padnos and continue East and complete the entire perimeter (same as the 1st floor) until you reach the stairs at your starting position.
3. Walk up the stairs until you reach 3rd floor of Padnos and continue East and complete the entire perimeter until you reach the stairs at your starting position.
4. Walk down the stairs until you reach the 2nd floor of padnos.
5. Turn South and walk the hall towards the lecture halls. Then turn West and walk the hall passing the computer rooms on your left. Turn South into Henry Hall and stop when you reach the stairwell on your right.
6. Walk up the stairs until you reach 2nd floor of Henry Hall.
7. Turn North by room 236 and then turn East by room 233 and walk the perimeter of the hallways until you reach the stairwell by room 211.
8. Walk down the stairs until you reach the 1st floor of Henry Hall.
9. Turn North and walk through the halls of Henry Hall. Turn West by computer lab 116 and walk the same path you did earlier until you reach the main stairs at Padnos.
10. Walk down the stairs and turn North by room 168 and then turn East by room 159 and continue the entire perimeter until you reach your starting position.
11. Walk up the stairs until you reach the main floor and return to the entrance of Henry Hall.
12. Finish

Total Distance: 1.01 miles (5,334 ft.)

Total Steps: 196 stair steps
